A MESSAGE FROM *Kym...*

I really hope you can join me, my family and friends at the inaugural Archie's Footprint Ball. My son Archie was born prematurely at 21 weeks and 5 days on February 11th 2009; unfortunately, we lost him seconds after his birth. The pain we went through as a family is like nothing I could ever describe.

Losing a child, whatever the circumstance, is devastating and often people don't know where to turn or how to rebuild their lives. So, in our boy's name, on what would have been the day before his 9th birthday, we are holding this ball to raise funds for bereaved parents and families who have lost their precious children.

We truly hope you can join us and help Archie leave his Footprint behind so that others can find their way.

We promise you an exciting night with fabulous entertainment, great food and lots of surprises so please support and help us to make a difference.

I look forward to seeing you there!

We are proud to support

The Mariposa Trust is all too aware of the pain and trauma of loss, whether that be during pregnancy, at birth or in infancy, and provides a range of comprehensive support options to provide the support people need, at the time they need it most.

The charity looks to provide support and services to anyone who has suffered the loss of a baby, at any stage of pregnancy, at birth or in infancy, whether the loss be recent or historic.

The Mariposa Trust is a charity which relies fully on volunteers and finance from donations, fundraising and events, as it receives no government or statutory funding.
